REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 21, 23-26,28-35 are allowed.

Regarding Claim 21.

Yoshimura Hiroyuki (JP 07-175072) discloses (Drawing 2)(Abstract-Constitution) method of manufacturing at least one device defining a volume for retaining a fluid or a sensitive material that is capable of changing its physical properties, particularly its optical properties, via the application of a voltage, or its electrical properties via stress or radiation, said device including at least a first front substrate and at least a second back substrate maintained at a constant distance from each other, these two substrates being joined by a sealing joint which defines the volume for retaining the sensitive medium or fluid,

wherein said method includes the following steps in sequence set forth:

- structuring at least one wall (9), which defines via its inner lateral face the volume for retaining the sensitive medium (7) or fluid, on one of the substrates (2);
- joining the second substrate to the first substrate by an adhesive (9);
- introducing a sealing material (10) capable of flowing into the gap defined by the outer lateral face of the wall (9) and the two superposed substrates until at least a part of the volume of said gap is occupied by the sealing material, and -solidifying the sealing material so that the latter forms the sealing frame.[0019]

The prior art does not disclose nor would it be obvious to combine with another reference the method including the steps in sequence as claimed. Particularly the

sealing material capable of flowing into the filling channel defined by an inner and outer wall *after* the second and first substrates are joined.

Claims 23-26,28-35 depend on Claim 21, therefore are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
